

Log Cabin Camp

ACTIVITIES INSTRUCTIONS

Night Hikes

DESCRIPTION

Log Cabin Camp is nestled on the edge of bushland and Creswick's State Forest and sometimes it cannot be fully appreciated unless experienced at night. With all the sounds of the bush and night creatures lurking, a Night Hike can be both spine tingling, fun and educational. During the Gold Rush there were many gold mines in the Creswick area, the remnants of some still existing in the bush around the camp. Log Cabin Staff can provide interesting commentary during your night hike.
