

If you are intending to self-cater your camp, here is some important information to help you with your planning.

Log Cabin Camp has available for your use:

- 2 large industrial gas ovens and hot plates
- Indoor BBQ plate
- Microwave
- Fridge and Freezer
- Large Toasters
- Industrial dishwasher
- Large pots, pans, oven trays and general kitchen ware
- Some sharp knives (but not our cook's favourite one!)
- Crockery and Cutlery
- Zip hot water boiler in dining hall
- 2 Ikea highchairs (please ask for them if you need them)
- Outside, 6-burner BBQ

The camp kitchen also has a deep fryer, however this is not to be used by self-catered groups without prior arrangement from management and its use will incur a fee to replace the oil.

### THINGS YOU NEED TO BRING:

- ⇒ Food!! (including salt and pepper, tea and coffee etc.)
- ⇒ Dishwashing liquid
- ⇒ Tea towels and sponges (or use ours and pay a \$10 laundry fee)
- ⇒ Foil and Clingwrap (if needed)
- ⇒ Large rubbish bags (bin liners at least 70 litres in size)

Don't panic: there is a local Foodworks supermarket in the township of Creswick, only 2 minutes drive away.

Ballarat supermarkets are 15 minutes drive away.

### PLEASE DON'T BRING

Please don't bring any peanuts or peanut products (including peanut oil and peanut butter). Log Cabin Camp is a peanut free facility and we need to maintain exclusion of all peanut products from our kitchen utensils. Thank you.

### EXITING CLEANING FEE

Please leave the kitchen and dining hall as you found it, i.e. all kitchen items washed and put away, kitchen floor swept and mopped, dining hall swept, tables and chairs wiped and chairs placed upside down on tables or as directed by camp staff.

Please remove all rubbish from cabins and place in big dump bins.

N.B. If kitchen is not cleaned properly and left as you found it, an extra fee of \$60 per hour will apply until staff clean to standard.
